LEILEHUA HIGH AND INTERMEDIATE SCHOOL

Wahiawa, Oahu, T. H.

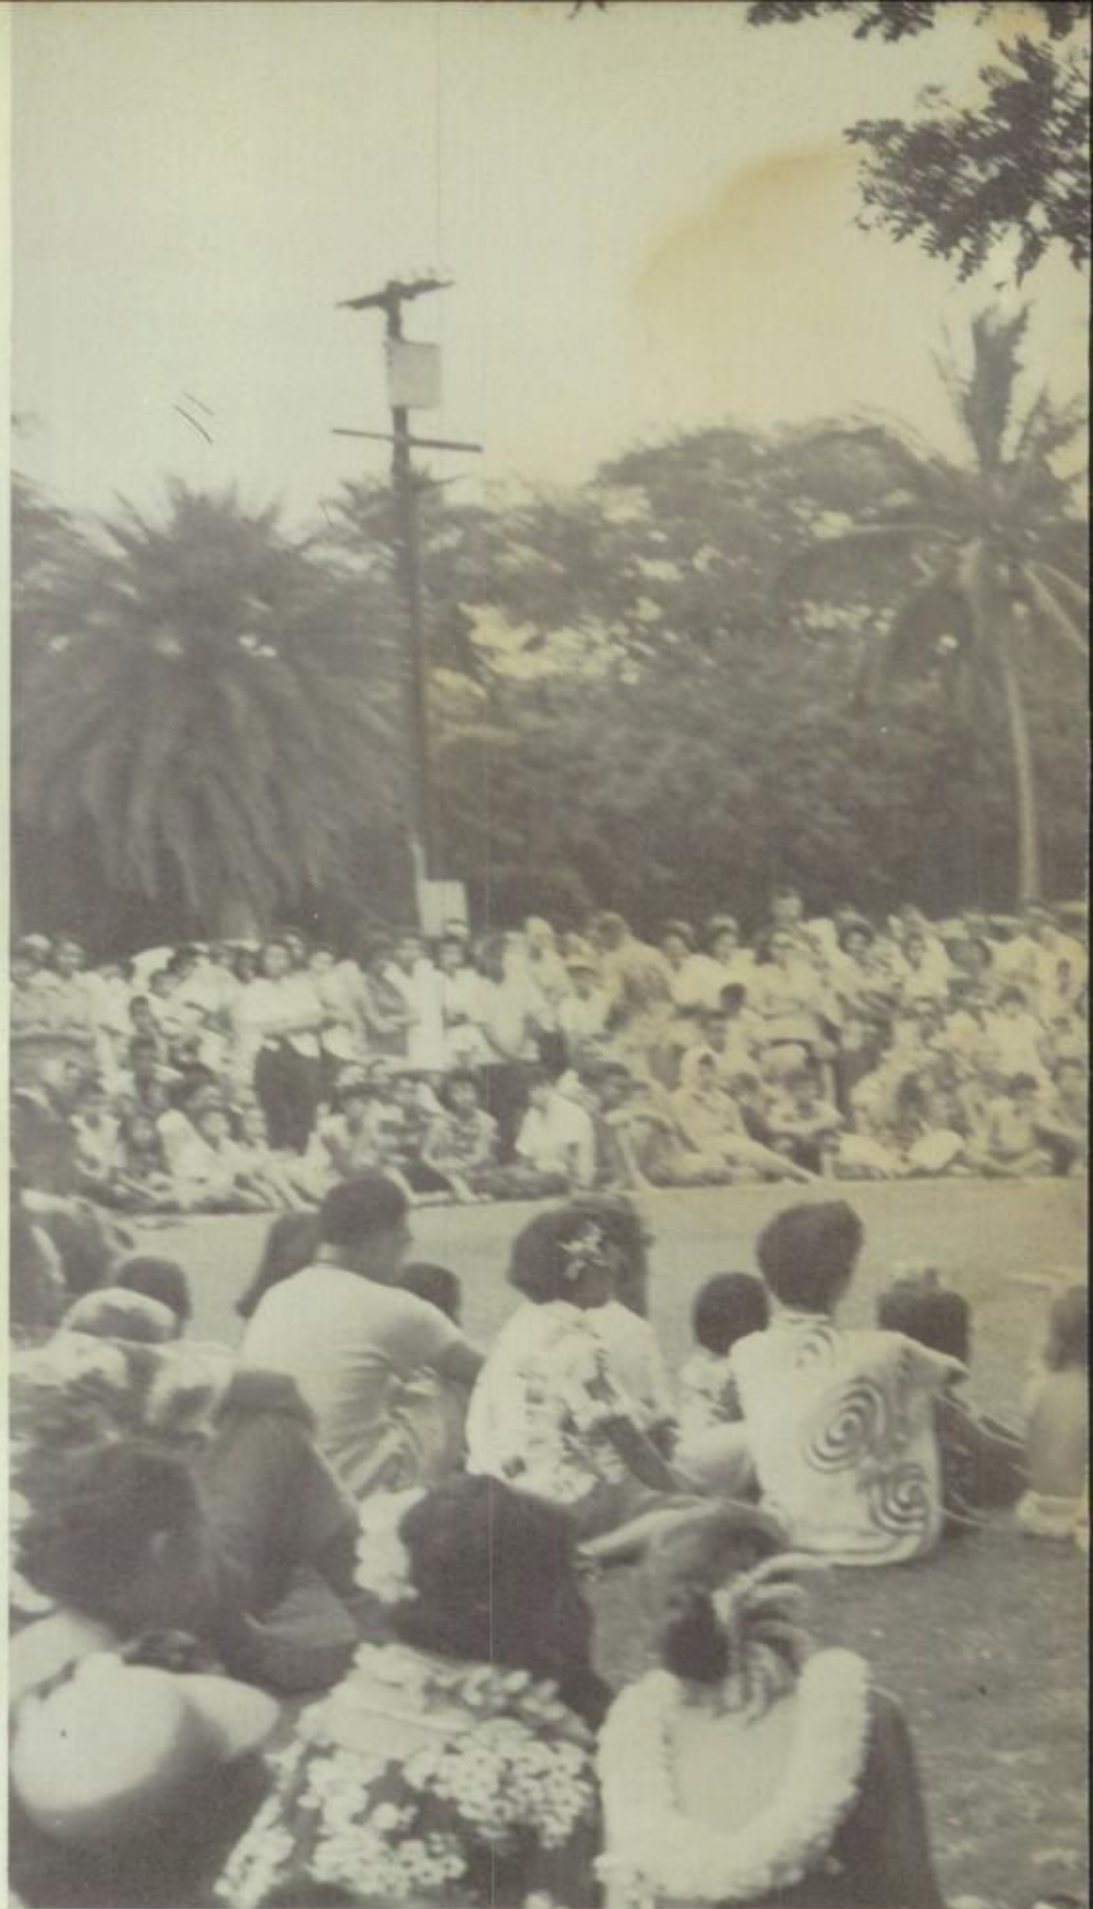

The Ka Leilehua staff has tried to bring to you your friends, your club and activity interests, your gay times as well as your more serious ones in the compilation of this annual. We now return to you these chapters of a year together with an historical Hawaiian theme of background information to better acquaint you with its past traditions. The events are not singly plotted, but rather in a serial manner. Our aim—that this book will be a memory book on your "most read" list—always.

The story of the Islands has been told and retold in music and poetry, in serious sociological studies in political articles. Their beauties have been described in paintings and motion pictures. And Americans have come to recognize Hawaii as a fascinating and an important part of the nation, soon, possibly to be accorded her proper status as a State.

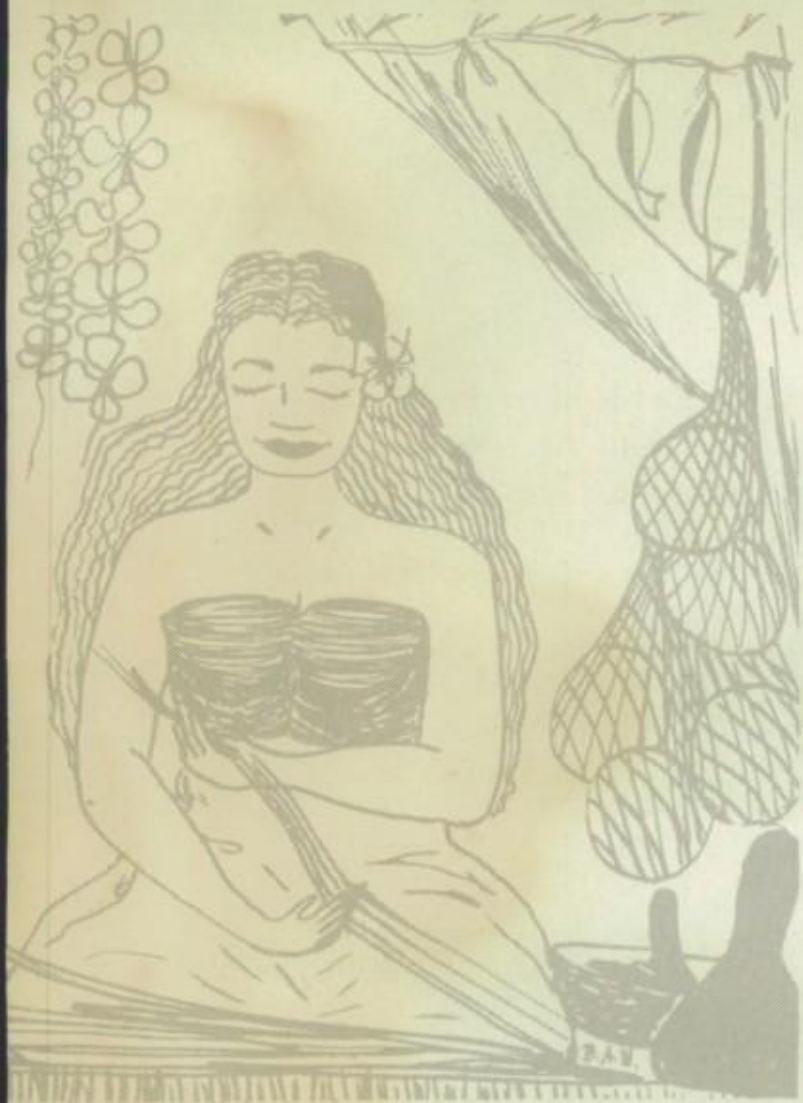

Mark Twain (Samuel Clemens), who described Hawaii as "the loveliest fleet of Islands that lies anchored in any ocean," was the first great American to bring the poetry and story of Hawaii to the attention of the American public.

The New England missionaries, who arrived in the Islands in 1820 found a fertile field for Christianity. Their coming was partly the result of the pleas of Henry Obookiah that Christianity be brought to his people.

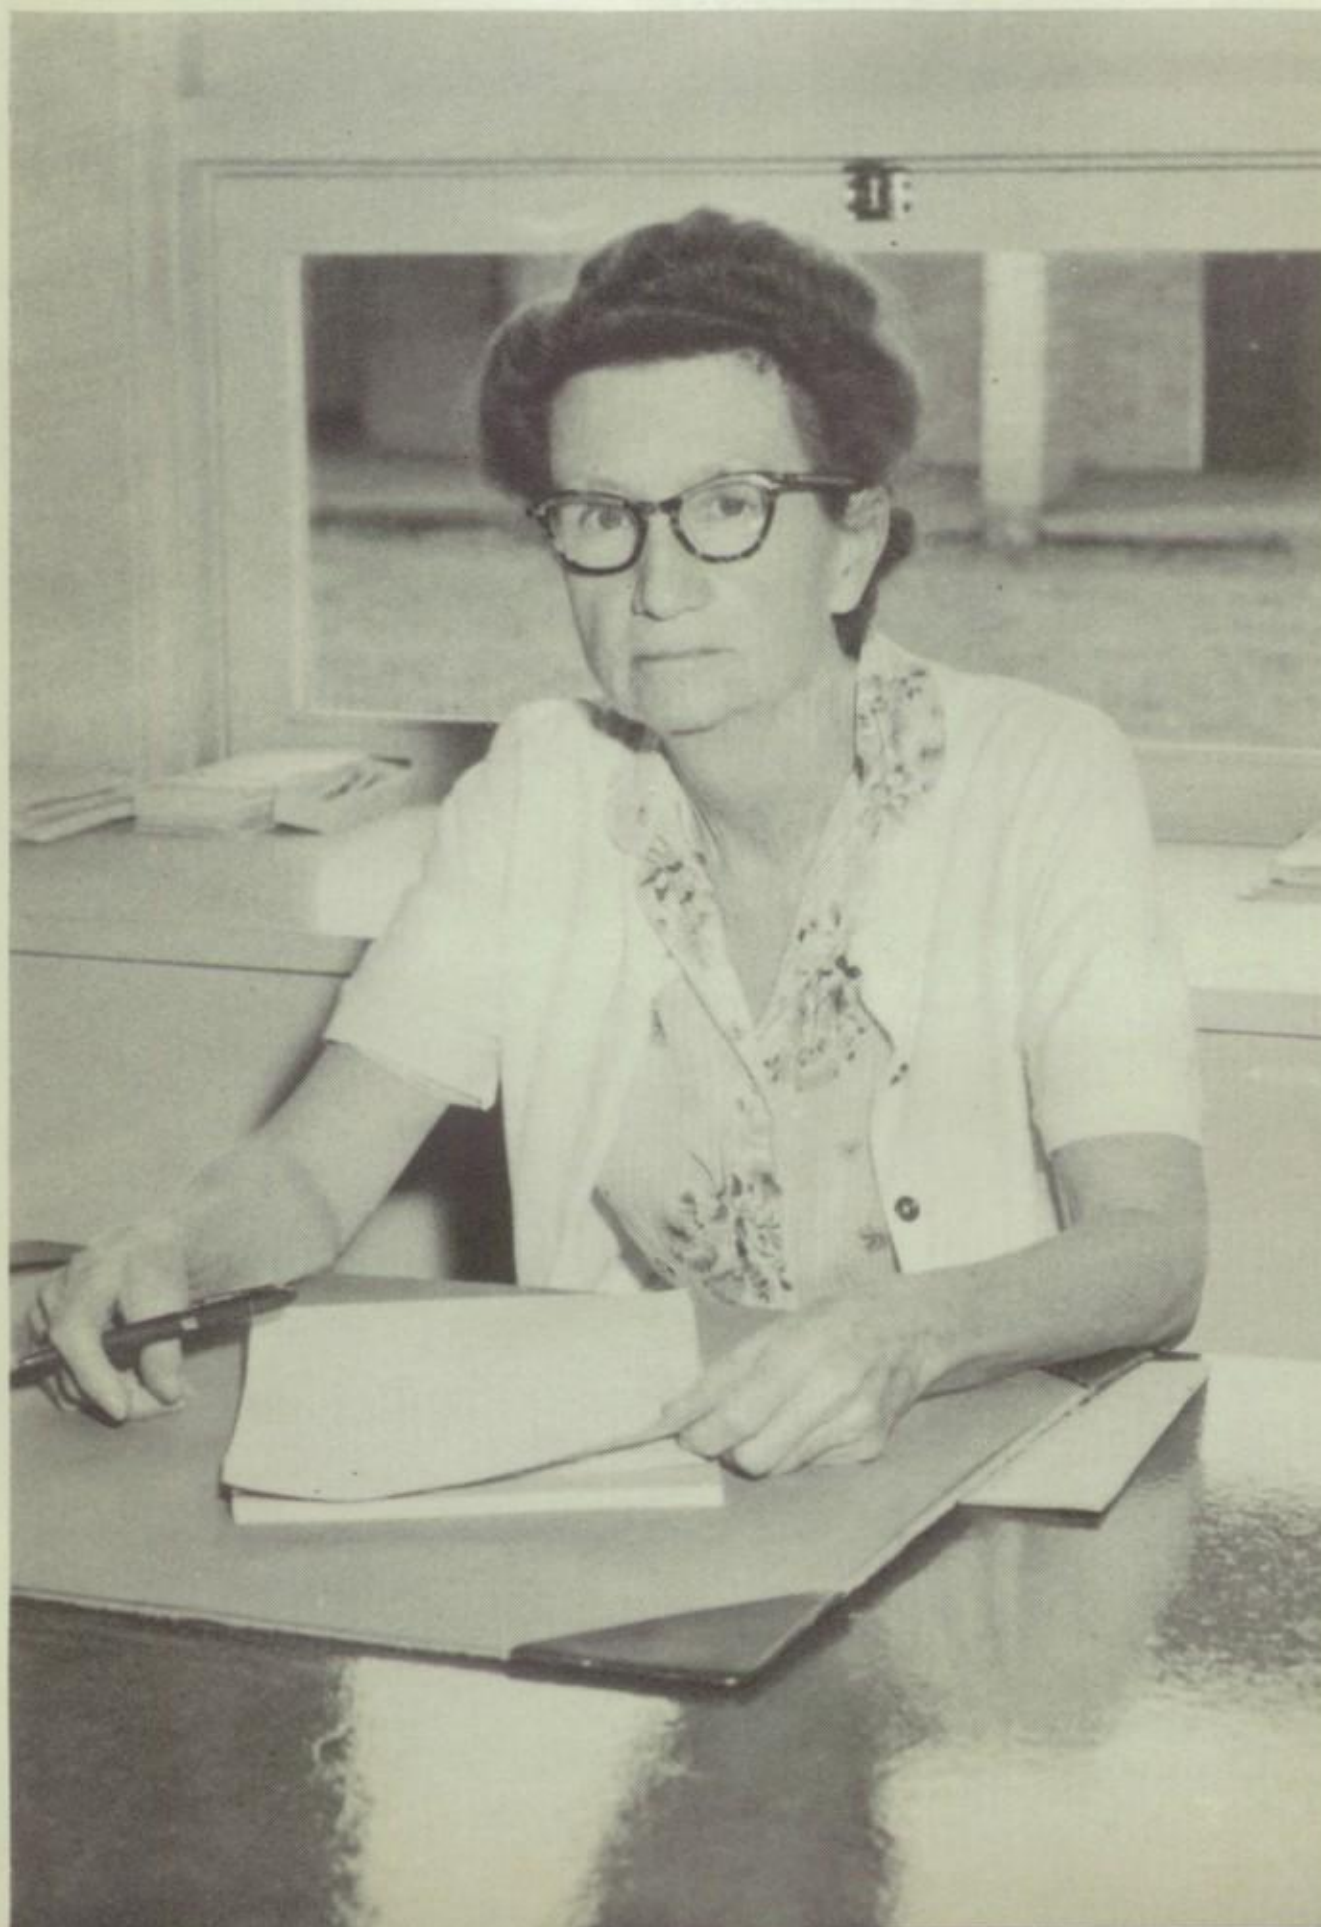

About 1,000 years ago, intrepid voyagers traveling over uncharted ocean miles first came upon the Hawaiian Islands. Although it is not certain where they came from, it is generally believed that they were Polynesians who had set out from Tahiti, more than 2,000 miles away.

DEDICATION

It is safe to say that all students enrolled in Math on the high school level has been influenced by the person to whom this book is dedicated. She has impressed many with her timely humor, hard work, and fine leadership. Thus, in appreciation of her many outstanding contributions to student life, the staff proudly dedicate the KA LEILEHUA to Miss Lottie Finn.

Pat on the back

A salute from the staff and the students of Leilehua to one who has earned the good opinion in the profession of teaching.

MISS L. FINN

Diversions Universal

You can't teach an old dog new tricks, but determined Wahiawa night school students are another story entirely.

Hot jazz admirable played by Lita Dorado entertains majorettes and friends after the Halloween Parade.

The underclassmen make up as important a part of our school as the senior class. We dedicate this section to them, the seniors to be and scholars of tomorrow.

Diversions Universal

Captain Cook found each of the larger inhabited islands of the Hawaiian Group ruled as independent kingdoms by hereditary chiefs called "alii nui." Among the young chiefs at the court of Kalaniopuu of Hawaii was a young nephew of the King's, named Kamehameha. This chief was so competent that he became the King's favorite and was entrusted with the care and training of an important part of Kalaniopuu's army.

FACULTY

Who keeps in order our high-spirited, fast growing school? The answer is, our teacher.

The faculty at Leilehua School is one of leadership over students who follow them. Teachers are often referred to as our secondary parents, striving to teach the students to take advantage of our education. Besides their regular class-work, they have chaperoned our dances, and have acted as advisors of our various clubs. They have come to be our warm cheerful friends, but also our teachers.

"Play not for gain but sport" thus stated George Herbert. Though our Leilehua teams weren't always "tops," spectators and participants learned to be good losers and modest winners—the main aim of high-school athletics.

SPORTS

Dexterity Undaunted

Having abandoned hope of early annexation to the United States, a constitutional convention was summoned to meet May 30, 1894, for the purpose of drafting a constitution for the Republic of Hawaii. This work was completed on July 4, and on the following day the republic was proclaimed with Dole as its first president. For the most part the constitution was modeled after that of the United States. As the year 1894 was drawing to a close, a plot was formed to overthrow the republic and restore the monarchy.

Our basketball victories were due for the most part to fine coaching and good material but who knows? Perhaps our cheerleaders' "jazzy" Bermuda shorts gave them that extra spirit responsible for victories!

Many thanks for their unflagging enthusiasm and "never-say-die" attitude—next year's squad has a hard record to beat.

Football

Field goals, open-running, intercepted passes

The faithful Leilehua Mules, under the coaching of Bill Smithe and his associates, never failed to give the spectators plenty of excitement. Although the Mules finished the football season with a dismal record of 10 straight losses and failed to equal the attendance record attracted by last year's eleven, the team and the students succeeded in achieving a higher degree in loyalty and in spirit. We quote Waipahu High School's Paper, The Cane Tassel—"Leilehua may not be the champion this year, but the encouraging cheers they yell out to their team are all from a champion heart."

However, the future seems very bright as next year's team should be much better and more experienced which should give Leilehua a chance to be one of the leading contenders for the coveted Rural Interscholastic League Championship.

Kailua Romps Over Leilehua 39-7

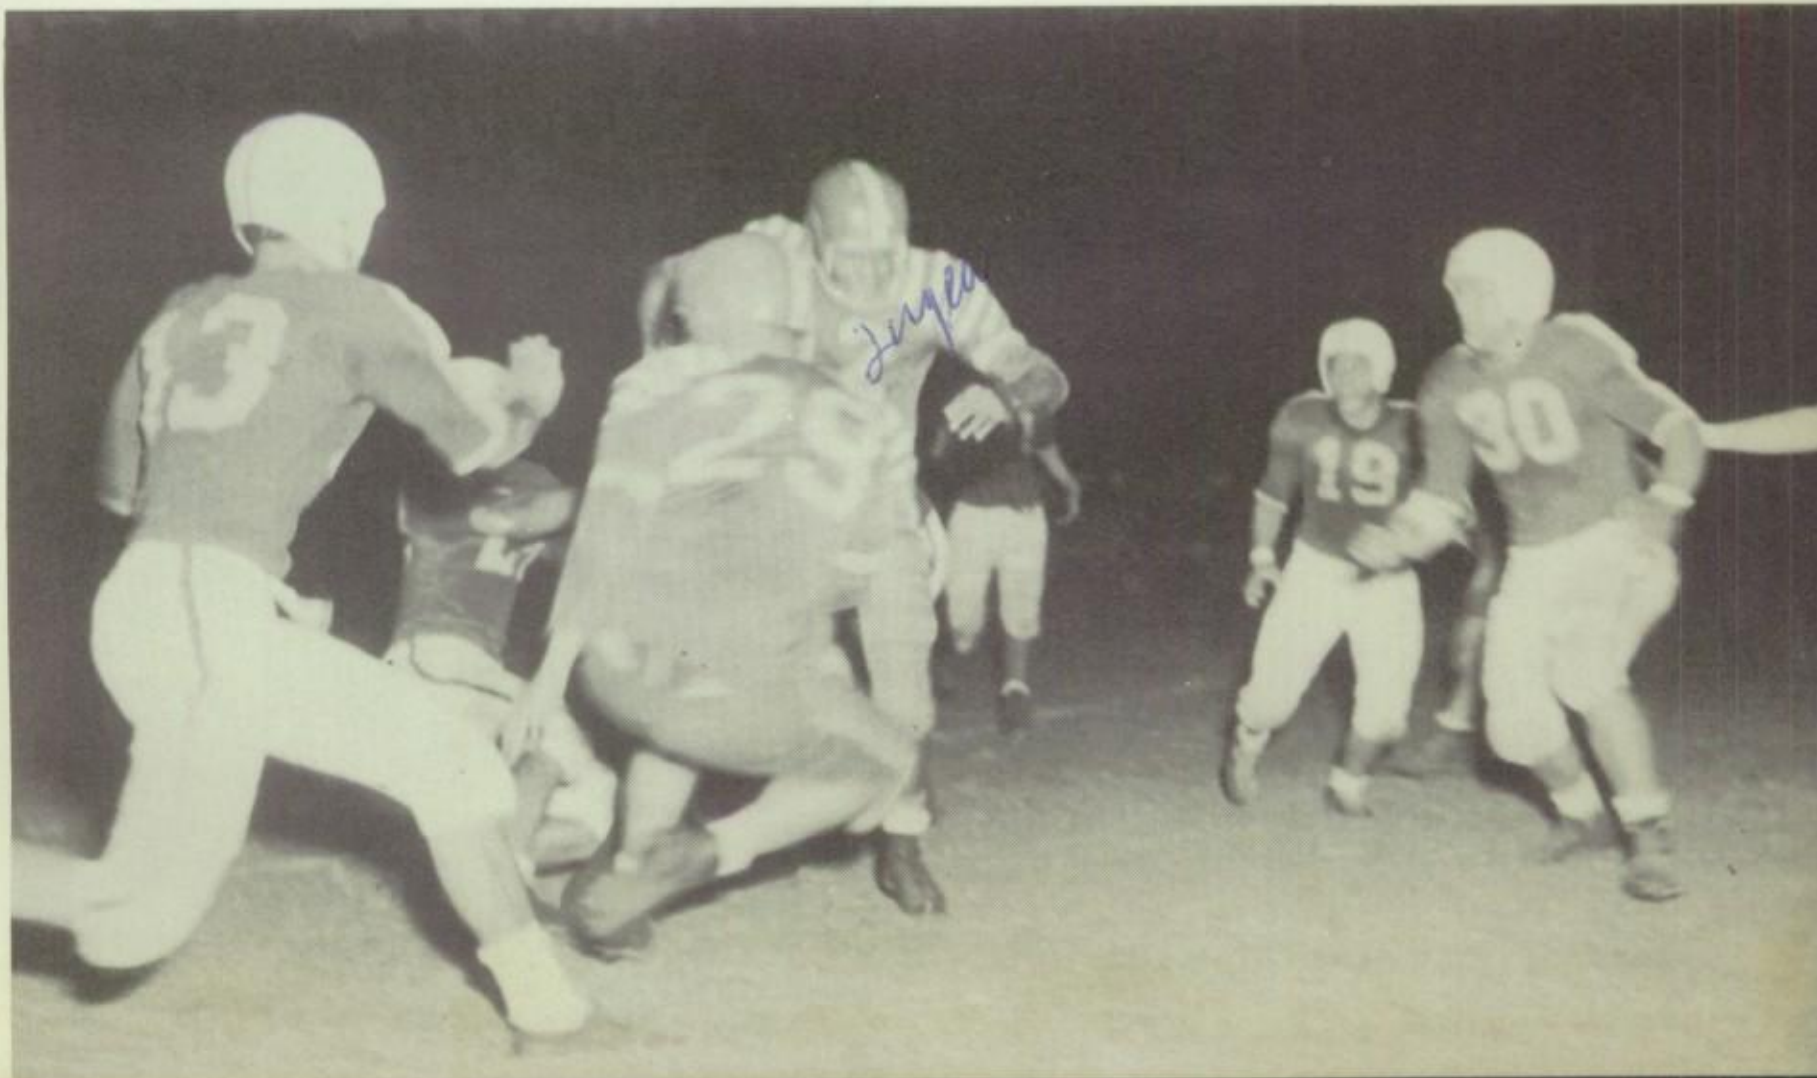

Kailua handed the Leilehua Mules their seventh loss of the season, 39-7. In the first quarter Kailua scored their first T.D. on a 93-yard march. But Leilehua came back to score in the second quarter on a 20-yard march sparked by a touchdown pass from Francis Noguchi to Herbert Dela Cruz. The first half ended in a thrilling 7-7 deadlock. But in the second half it was a different game. Kailua's line and back-field were too much for the outfoxed Leilehua Mules. The Surfriders from Kailua scored three T.D.'s in the third quarter and two T.D.'s in the fourth quarter to wrap up the ball game. Outstanding for Leilehua were Phil Miyashiro, Contrado Ascierto and Thomas Nomura.

Kahuku Downs Leilehua 22-6

The Leilehua Mules lost to a powerful Kahuku eleven 22-6 which left Leilehua spectators wet and dismayed. The Kahuku Red Raiders added a touchdown in each of the first, second and third periods and capped the evening with a safety in the final quarter when Dexter Choy was tackled in the end zone. Leilehua tallied its lone T.D. in the fourth stanza when Francis Noguchi topped an 88-yard march with a spectacular pass to Phil Miyashiro in the Kahuku end zone. Outstanding for Leilehua were Larry DeRego and Francis Noguchi.

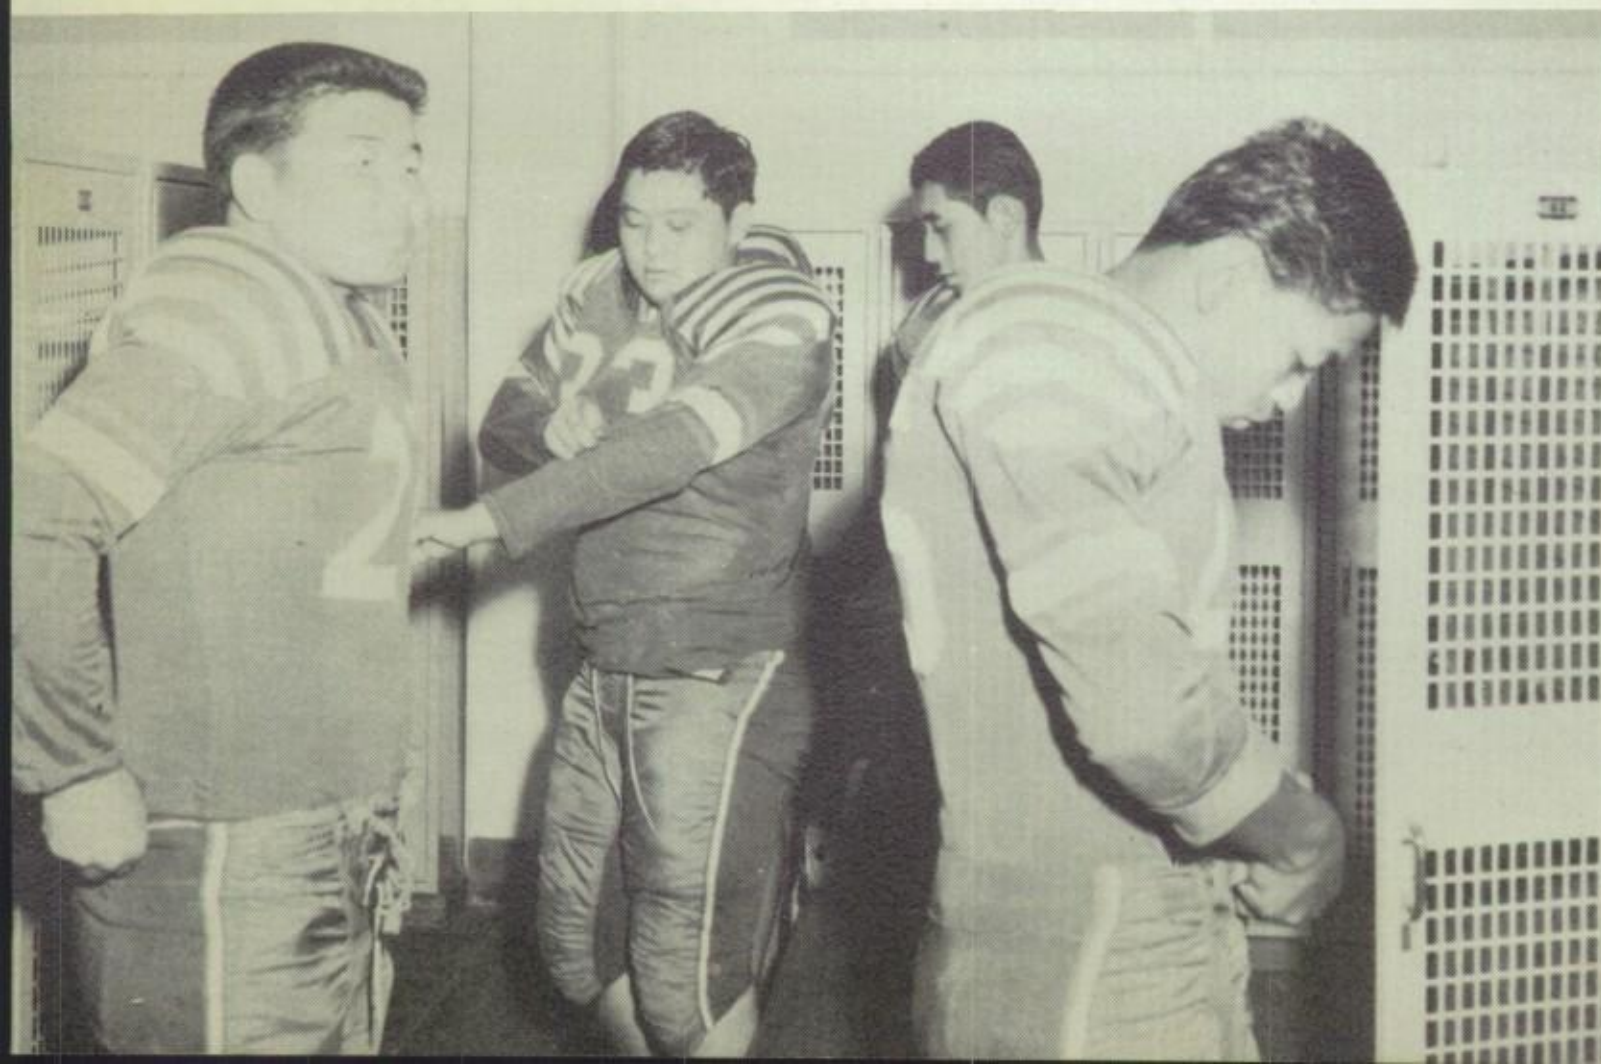

Farrington Handled the Mules 25-7 in its Opener

Farrington handled Leilehua 25-7 at the Honolulu Stadium during its first football game. A crowd of 7,000 attended the Disabled American Veterans Game and watched a speedy Farrington line get the jump on the Mules. The Mules then scored on a beautiful right end sweep on a pitchout to halfback Harold Taylor, good for 44 yards.

Vim, vigor, vitality

Leilehua Lost Heartbreaker to Castle 36-32

In a thrill-packed grid skirmish which saw eleven touchdowns go across the scoreboard, Castle edged Leilehua in the Rural Interscholastic League. The Castle-Leilehua game was a humdinger all the way with the two teams rallying and counter-rallying throughout the game. The Castle Knights pushed across four touchdowns early in the third quarter to overcome a 20-6 halftime deficit and moved out in front 30-20, but Leilehua bounced back scoring two touchdowns for a 32-30 lead. With only 15 seconds remaining to play and Castle trailing 32-30, Lew passed to Sanders for Castle's winning margin. Scoring Leilehua's touchdowns were Herbert Dela Cruz, Charles Kauha, George Matsui, and Harold Taylor. Outstanding linework was contributed by Robert Ueunten, and Joseph Jerviss. Although we lost, we had the school spirit and backing to make Castle remember this game.

Waialua Downs Leilehua 18-0

Leilehua lost its third straight league game to a determined Waialua Bulldog eleven 18-0. After a scoreless first period, the Bulldogs tallied once in the second quarter and twice in the third period. Mules fought to within 10 yards of the goal twice in the fourth quarter, but downs and time were against them. Standouts for the Mules in a losing cause were again Harold Taylor, Herbert Dela Cruz, and Contrado Ascierto.

"Big and small kanes"

Waipahu Beats Leilehua 29-7

Waipahu beat Leilehua 29-7 to hand the Mules their fifth straight loss. After Waipahu scored their first T.D. in the first quarter, Leilehua struck back and took a 7-6 halftime lead in the second period when Larry DeRego hit right guard from the 5-yard line for Leilehua's lone T.D. Dexter Choy converted for the extra point. Waipahu scored three times in the third quarter after the second half kickoff to overcome Leilehua's winning margin. Waipahu then added two points in the fourth quarter when Dexter Choy was caught in the end zone for a safety. Rodney Kim, Robert Ueunten and Contrado Ascierto were outstanding for the Mules in an unsuccessful bid for victory.

Versatility and Power

Kahuku Whips Leilehua 34-6

Leilehua lost its first Rural Oahu Interscholastic League game to an impressive Kahuku eleven 34-6. Playing before 2,500 fans, the Red Raiders from Kahuku displayed power, deception, and a solid defense to outrush and outclass a game Mule eleven. Kahuku scored in every quarter. Leilehua accounted for its lone touchdown when Larry DeRego scampered 30 yards through the middle of Leilehua's line for the score.

Basketball

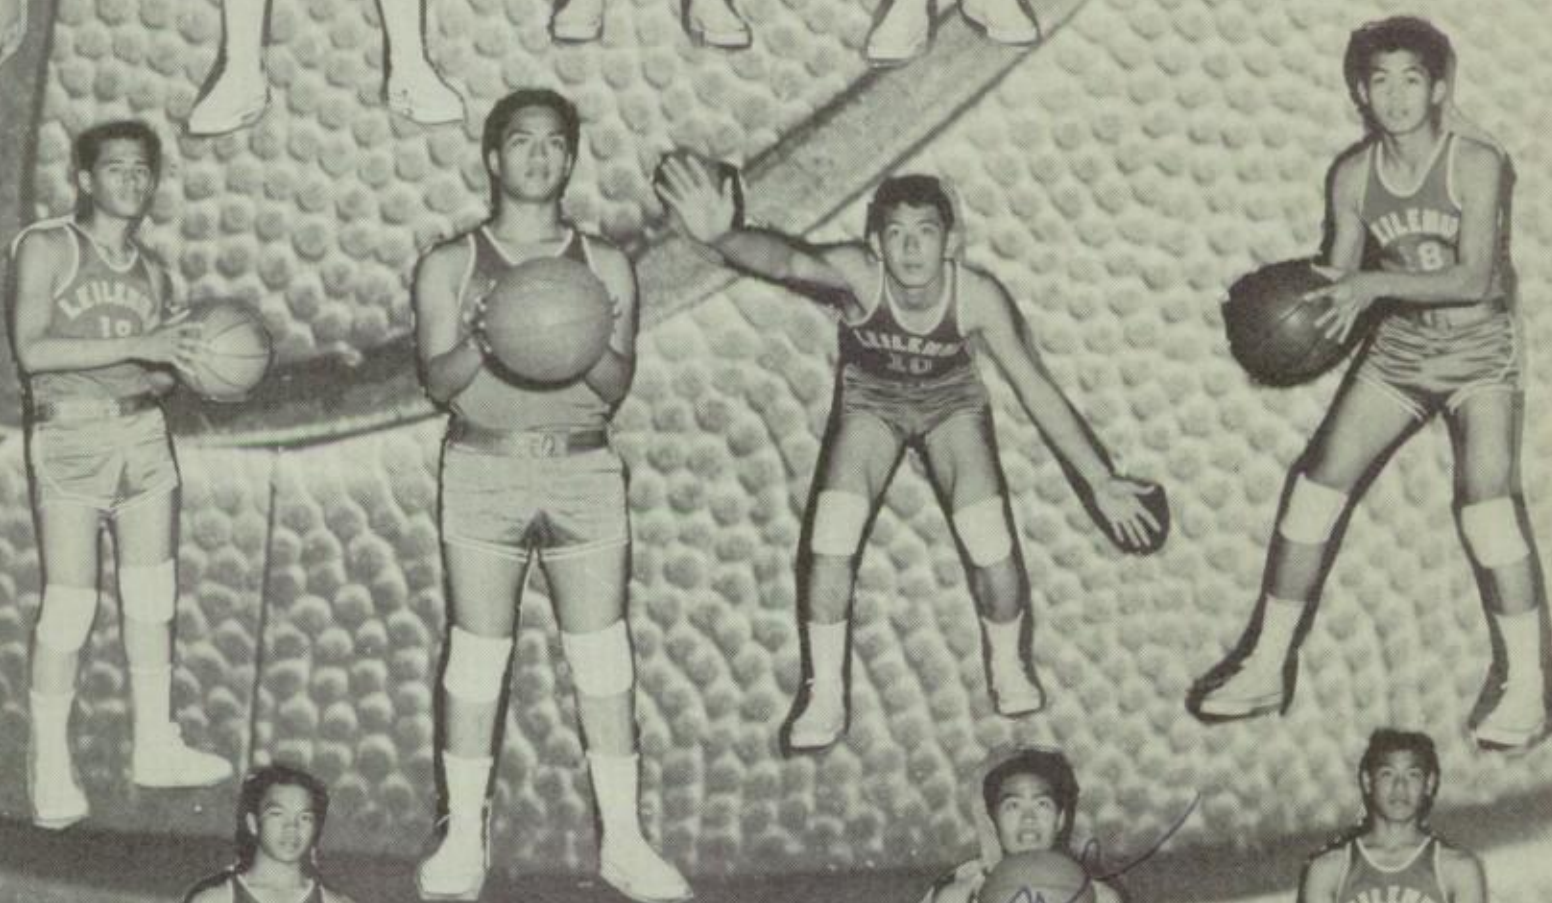

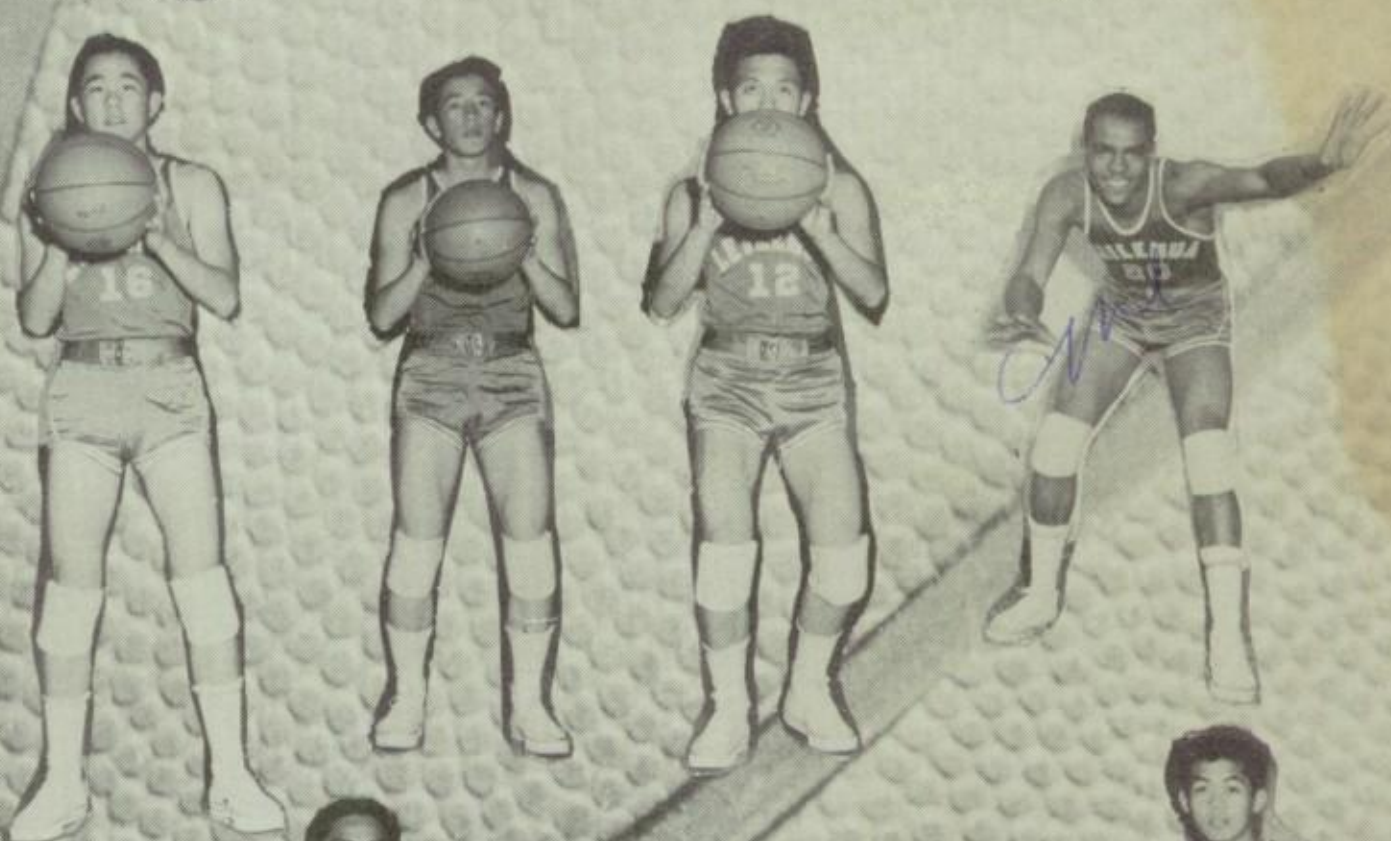

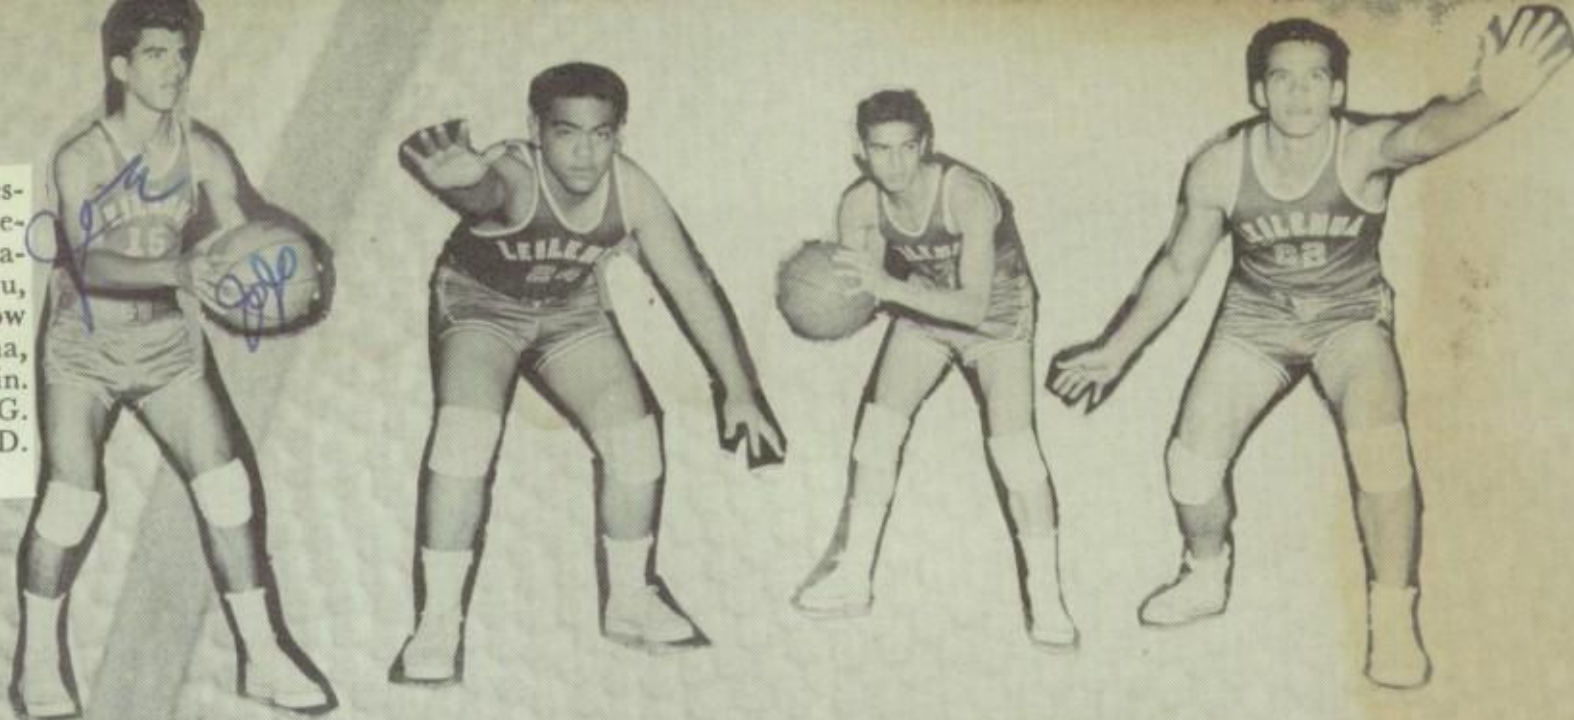

A Spectacle of Sport Deeds

This year's basketball games were exciting yet heartbreaking ones. Leilehua did not have championship team this year, but there was fighting spirit in the players. This spirited quintet was led by CAPTAIN ROLANDO ATON, who in turn was helped out by the rest of the team. Leilehua's not-too-successful season of three wins and seven defeats was excelled by good sportsmanship on the court floor. In Leilehua's final game of the 1957 season, the Mules pulled the biggest upset of the year by dumping first place Waipahu 35-33. With returning lettermen for next year's squad, Leilehua surely will be a tough contender for the championship.

KAHUKU DOWNS LEILEHUA 53-38

In a game played at Wahiawa, the Leilehua Mules lost to a determined Kahuku five 53-38. The Kahuku Red Raiders came from behind in the fourth quarter with a wild 28-point outburst to down the Mules 53-38. Leilehua led 36-35 starting the final period, but Kahuku not only ran wild in the scoring column but applied a near-perfect defense to hold the Mules to two points. DON MANZANO was high for Leilehua with 18 points.

LEILEHUA UPSETS WAIPAHU 35-33

In Leilehua's last game of the season the Mules, going nowhere in a big hurry, provided most of the thrills in the final round of the Rural Interscholastic Basketball League by dumping heavily favored Waipahu 35-33. Leilehua's victory avenged an earlier lost to Waipahu by a close score of 48-46. Waipahu led for three periods only to fall victim to a fourth quarter rally by the Mules. DON MANZANO had 13 points for the fighting Mules.

BARRY RUBIN JOE MATSUKAWA

As this yearbook goes to press, the Mules have just moved into the league runner-up spot with a 20-2 rout over Kahuku.

The students attending the games gave the boys tremendous boost in morale. Under the excellent coaching of Coach JOE MATSUKAWA and his assistant, CAPTAIN BARRY RUBIN, the Mules, captained by ROLANDO ATON, have achieved an excellent record of 5 wins and 2 losses. The two losses came at the hands of Waipahu and Kahuku.

With constant practice in batting and fielding at the Wright Field, Leilehua has an outside chance for the championship. With only two seniors graduating from this year's team, the Mules will have a lot of returning lettermen for next year's squad.

Although considered a mediocre team, Coach C. Leu feels that their spirit are very high. With hopes of following Castle and Kahuku in team standing, the Mules were out to end the season in third place. "Of course, whether or not we end in third place depends on the development of the boys," said Mr. Leu.

The team will be paced by B. Urian, A. Caminos, H. Taylor, and V. Nugal.

Patterns of Triumph - Fatigue

Our great variety of clubs and organizations is an outstanding feature of Leilehua. From the classical Latin to practical home-making, activities are offered for all taste and interests. This section is dedicated to all teachers and students alike who assisted in making this year's extra-curricular program the success it was.

CLUBS AND ORGANIZATIONS

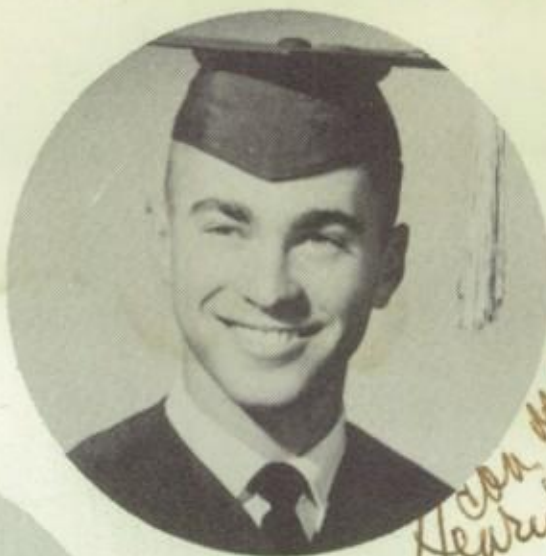

Diplomacy Unparalleled

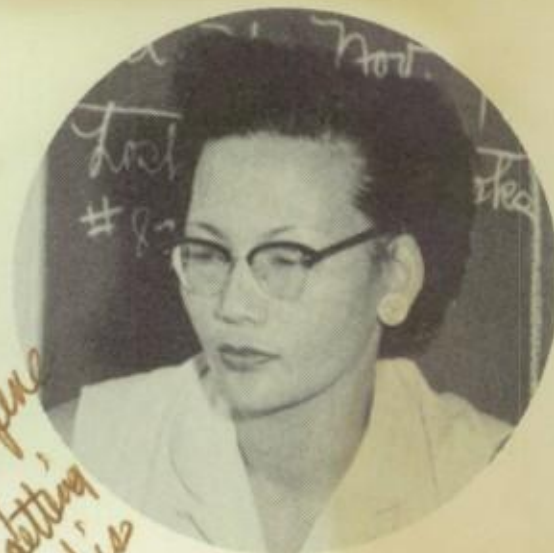

On November 28, 1843, France and Great Britain united in a joint declaration recognizing the independence of the kingdom of Hawaii. The United States had already recognized Hawaii's independence. However, this did not end all the difficulties and it was not until 1851 that a just and equitable treaty, similar to one concluded at Washington in December, 1849, was concluded with Great Britain.

But along with the hard work there were good times too; an excursion to Fisher Corporation, a big class banquet, not to mention all the good times we had in editing and chatting.

Ink-stained fingers, frenzied shouts of "Where's my layout?", ever-present deadlines—and another Sentinel is "on the stands." As a result of greater interest in journalism, the staff was larger and more enthusiastic this year than ever before. Many changes in the paper were evident, one of which was the new block style heading.

Spanish Club

Amid shouts of "Si, si!" and "Fiesta!", the Spanish Club proceeded on its merry way. Always a gay organization at Leilehua, the year 1956-57 did not fall short of expectations. A "Hobo Hoe-down" in November, cookie sale, camping trip in December, and, of course, initiation of new members insured a superlative time for all. The club boasts a membership of nearly 100, and a formal dinner-dance held in May.

Upward through Christian fellowship—a worthy aim. This group progressed in their understanding of Christian beliefs and principles through Bible studies and special lectures. In a lighter vein, a Christmas banquet celebrated the season for Leilehua's members, while an all-Oahu dinner gave fellowships from all schools a chance to exchange ideas.

"Fortiter, fideliter, felicitur"—motto of the Latin Club. An envied excursion to interesting places at Honolulu during the month of April brought back many tales by the members. "It was nice to get away from school," was the comment most heard. And of course there were the times of hardship—studying the Roman culture. But like all good Romans, the members proved their superiority in the knowledge of the language and customs of the publicized "ancient."

STUDENT LIFE

Dignity Unassuming

ALOHA WEEK holds the center fall festival spotlight. Celebrated by all the major islands, Aloha Week covers a month's period. Honolulu usually celebrates the weeklong festival starting in mid October. Maui, Hawaii, Kauai and Molokai celebrate Aloha Week with or after the Honolulu program. The festival pattern calls for everybody wearing aloha apparel in offices, schools and shops; parades, water sports, hulas and music festivals, luaus (feasts), displays, street dancing.

Aloha Week Assembly

A "telecast" from "Leilehua Village", sponsored by Dermatox, produced, played and directed by Miss Barbara Kim and the ninth graders, entertained Leilehua students on Friday of Aloha Week. King Mo-lo-ha, Mr. Roberts, and Queen Lei-aloha, Mrs. Vierra, reigned supreme at the festivities.

The theme, "Melting Pot", was carried out in performances and songs of the various nationalities represented at Leilehua.

Left top: As feature artist, "Elvis Presley", alias James Turner, goes through the familiar gyrations of "Hound Dog." Left Middle: Roland Arrayan, Freddie Choi, and Timothy Ferreira and Brian Brearty show any malihinis in the audience the way kanes dance. Lower Left: "Kalua", danced by Brenda Rivera, climaxed the "Alohaland" telecast. Lower right: Filipino songstresses interpret a folk song for the enjoyment of everyone and particular amusement of those who speak the language.

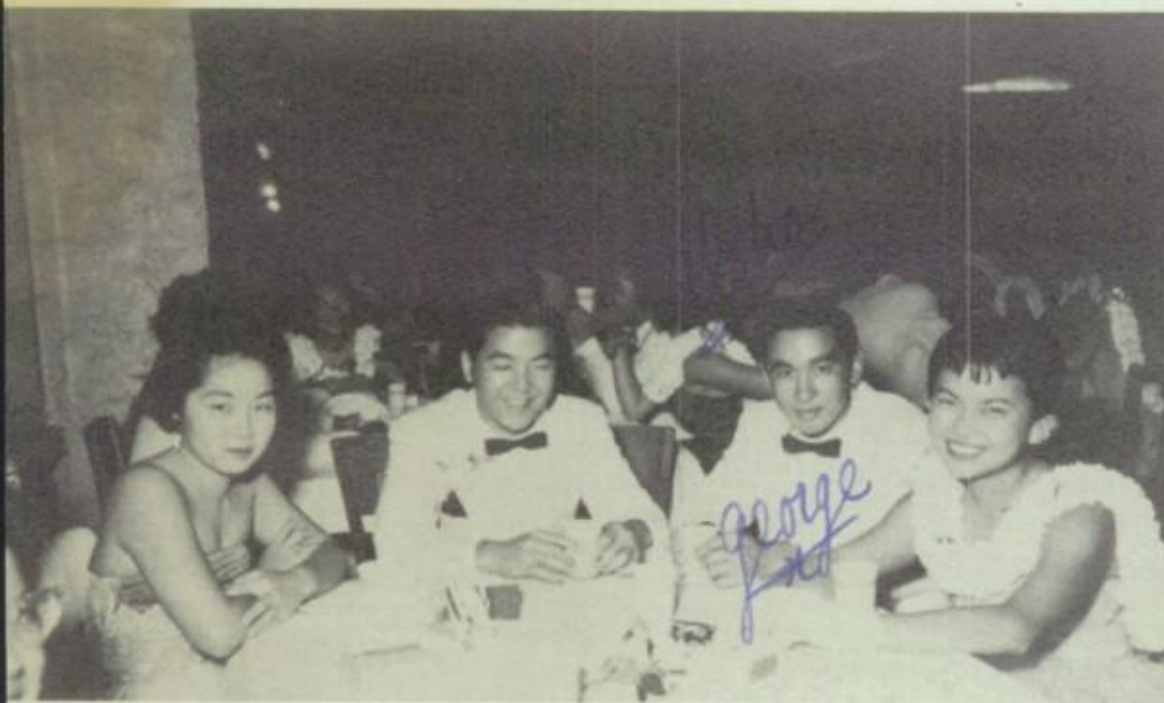

Junior Prom

What? Junior-Senior Prom
When? April 27, 1957
Where? Schofield Barracks Officer's Club
Who? Leilehua's juniors and seniors and their guests
Why? Celebrations and congratulations!!!

Girls donned new gowns, boys dug out their best party manners, and everybody went to Schofield! After hours of brain-racking and more hours of ladder-climbing, suddenly—"Heaven on Earth!" This unique theme will be a challenge to future committees.

Reigning over the last social gathering of our class of '57 were Queen Beatrice Komori and King George Takeshita. Music by the Blue Knights, enjoyed by all, and thanks by the senior class to well-wishing juniors for such a pleasant memory to include in a twelve-year "scrapbook!"

Ono kau-kau replenishes the energy of dancers half-way through the Prom.

A retreat, a dance

Lovely to look at—the Prom Queen and her court shine brightly at the coronation.

... remembered for her dramatic ability ... character and personality she is possessed ... to delete her qualities we cannot find ... maybe you've guessed ... the opinion of the Spanish Club.

Flora Miyashiro

... another beauty to step upon the dias ... one with whom you would like to be with ... charm and personality difficult to express ... a lovely Junior without a doubt ... the pride of the Debuttees.

The staff of Ka Leilehua is proud to present its first yearbook Queen and her attendants. A beauty contest—through photographs! Indeed an array of Hawaiian beauties. We congratulate Mr. Sal Mineo, screen star, for his help in choosing the winner. A very good choice! Also "mahalo" to the Firemen of Wahiawa for selecting the 5 finalists.

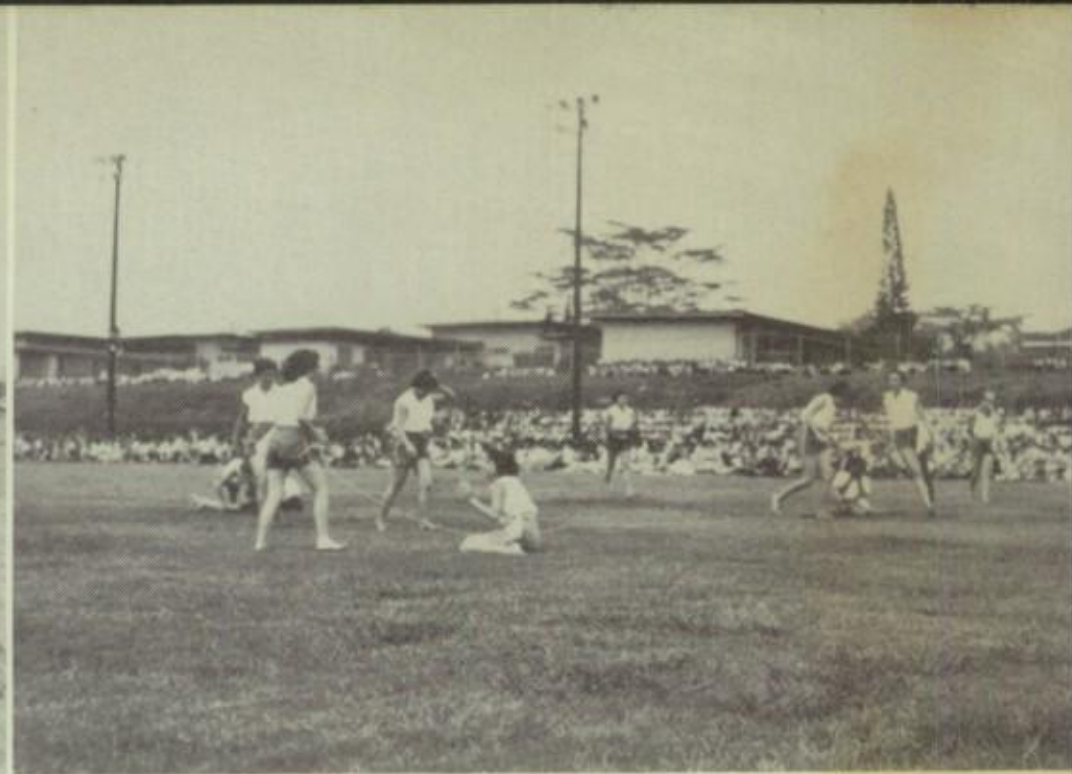

Pat Virginiza

... sweet and lovely ... the choice of the Hui O' Commercialettes ... admiration of many hearts ... superlative charm ... an outstanding "filipina" beauty.

Gay Gibbons

... only a Sophomore ... attraction of many audible sighs ... a predilection for intelligence ... prudent and helpful ... a "mali-hini" from the Annual Class.

A Spectacle of Sport Deeds

The loudest, the most colorful, the craziest, and the most beautiful Aloha shirts and Muumu's were seen on NA PA'ANI KAHIKO O LEILEHUA—ancient Hawaiian sports day. A new twist was seen on campus when Mrs. Lombard and her committee presented to the student body the games of old Hawaii on May Day—a synonym to leis, holokus, kahilis, Aloha shirts, and muumu's.

Some of the games seen were "Hakoko" or Hawaiian wrestling; "Hakoko Noho" wrestling while seated; "Kaka La'au", Hawaiian fencing; "Loulou" pulling interlocked index fingers; and "Moa Pahe'e", sliding a dart.

Many malihinis and kamaainas were seen on campus, fascinated with the intricacy of some of the sports. A fitting "theme" to our yearbook, NA PA'ANI KAHIKO O LEILEHUA, May Day 1957.

Top Left: The homemaking class of Miss Sorayama displayed their wardrobe in a fashion show. Being freshmen, these girls have shown their sewing skill as well as their creative ability. **Middle left:** The Velvets, group of fellows from Schofield, were feature in the majorette's talent show. Singing current Rock n' Roll hits, they were a success with the many juvenile "non-delinquents." **Middle right:** The styles may not have been from Paris or Rome but Paulette Rivera, Prinscilla Ringor, Harold Taylor, and Margarita Nugal would surely be selceted models for any wardrobe. **Lower left:** Karen Haenisch and Bobbie Lou Jones—only 9th graders, too! A fashion hit for the Homemakers. The two pictures over-lapping the others at the top are scenes from the recent Cherry Blossom Contest, where Leilehua was represented by Carol Yoshida.

Homecoming

Our seniors do it again—another winning jalopy!

Regardless of the fact that the Leilehua Mules had a losing record, good school spirit and enthusiasm were always evident.

Wilikina Drive and Kamehameha Highway were the scene of a rousing Homecoming Parade. The queen and her court rode by in convertibles, followed by the R.O.T.C. Battalion, Majorettes, class jalopies, class sections, and participants from the 25th Division. As a climax, a pep rally at the Fred Wright Park showed the team we were with them all the way.

On the following evening, Leilehua Mules opposed a victorious Waipahu team. Though the Mules put up a stubborn defense, the final gun saw the score at 39-6, for Waipahu. Half-time entertainment featured a well rehearsed number by the Majorettes, intricate marching by the band, and precision performance by the R.O.T.C. Drill Team. Queen Carol Yoshida and her court graced the occasion from their dias of ti leaves, vandas, and plumerias.

The Cossack Drill Team from the 27th Regiment marches in the parade.

Ninth graders show rowdy enthusiasm and "artistic" talent. Hardly camera-shy, Leilehua rooters wave to the photographer.

The Homecoming Dance, sponsored by the Alumni Association, was a fitting and successful conclusion to the festivities. Over 300 danced to the music of the Sonics and cheered Mr. Roberts' crowning of Queen Carol Yoshida and her attendants, Sharon Mitsuka, Eleanor Ymas, Janet Murakoshi, Lucy Muraoka, and Agnesia Roylo.

Homecoming

It has been such a great pleasure for me knowing and working with you these past two years. You are one of those who have made my high school days so memorable.

I'll never forget the time I met your parents, they're wonderful people and I hope you'll always be happy and come visit our islands again and again.

I know you'll be a great success in life and business. Juniors pack one of their jalopies to the point of overflowing.

Carol has made many contributions to our school life, serving as vice-president of the Jr. class, R.O.T.C. Sponsor, Sentinel class member, and many others. Her ambition is to become an English teacher and undoubtedly she will be a bright addition to the teaching profession.
